

KONFTEL PRODUCTS PERFECT IN Avaya UC Platforms

Communication Manager / IP Office / Zang Office / Aura / Equinox

Avaya is a leading provider of UCC solutions (Unified Communications and Collaboration). Konftel's strategy is to optimize and certify our products for the leading communications platforms in the market. We have a Gold Membership in the Avaya DevConnect Program, which means that our certified solutions have been tested by Avaya and are guaranteed to be fully compatible with Avaya platforms.

DEVELOPER CONNECTION
GOLD

Konftel offers the most innovative and feature packed conference phones for effective collaboration in all environments. On the go, at your desk, in the huddle room and large meeting rooms. We deliver reliable and efficient meeting solutions powered by OmniSound® with superior audio quality in HD so that we all can get together.

Konftel 300IPx with Konftel Unite

THE ART OF EASINESS

One click is all it takes to start or join a meeting in Avaya Aura. Conference calls are easier than ever with the versatile IP conference phone Konftel 300IPx and Konftel Unite mobile app. IP Office and Zang Office are other compatible platforms. The USB connection makes it perfect for Equinox and Scopia.

Konftel 300IP

PROVEN AND POWERFUL

Quality IP conference phone with HD audio, verified for integration in Avaya Communication Manager, Integral Enterprise and IP Office.

Konftel 300Wx

WIRELESS IP CONFERENCING

Freedom of wireless connectivity combined with superior HD audio through the compatible SIP base station Konftel IP DECT 10 connected to IP Office or any of the other IP platforms.

Konftel 55Wx

ALL-IN-ONE

Versatile UCC hub for desk phones, Smart phones and laptops. Feature layer provides enhanced integration with Avaya Communicator, Equinox and Scopia via the color touch screen.

Konftel Ego

PERSONAL CONFERENCING. ANYWHERE.

Designed for todays mobile meeting culture, the ultra compact Konftel Ego connects easily to a PC via a USB port or to a tablet or Smartphone via Bluetooth®. Perfect with Avaya Communicator, Equinox and Scopia to ensure professional audio quality.

Konftel is a leading company and a strong brand, within audio conferencing equipment. Since 1988, our mission has been to help people around the world to conduct meetings despite distances. Based on our success, we know that audio conferencing is a great way to save time, money and at the same time contribute to a better environment. High audio quality is essential for efficient meetings, this is why our patented audio technology OmniSound®, is built into all Konftel Conference phones. The products are sold globally under the Konftel brand and our headquarter is based in Sweden.
