Konftel offers the most innovative and feature packed conference phones for effective collaboration in all environments. On the go, at your desk, in the huddle room and large meeting rooms. We deliver reliable and efficient meeting solutions powered by OmniSound® with superior audio quality in HD so that we all can get together.

Konftel 300IPx with Konftel Unite

THE ART OF EASINESS

One click is all it takes to start or join a meeting in Unified Communication Manager. Conference calls are easier than ever with the versatile IP conference phone Konftel 300IPx and Konftel Unite mobile app. The USB connection makes it perfect for Spark and WebEx.

Konftel 300IP

PROVEN AND POWERFUL

Quality IP conference phone with HD audio, verified for integration in Unified Communication Manager.

Konftel 300Wx

WIRELESS IP CONFERENCING

Freedom of wireless connectivity combined with superior HD audio through the compatible SIP base station Konftel IP DECT 10 connected to Unified Communication Manager or any of the other IP platforms.

Konftel 55Wx

ALL-IN-ONE

Versatile UCC hub for desk phones, smart phones and laptops. Feature layer provides enhanced integration with Cisco Jabber, Spark and WebEx via the color touch screen.

Konftel Ego

PERSONAL CONFERENCING. ANYWHERE.

Designed for today's mobile meeting culture, the ultra compact Konftel Ego connects easily to a PC via a USB port or to a tablet or smartphone via Bluetooth®. Perfect with Cisco Jabber, Spark and WebEx to ensure professional audio quality.

Konftel is a leading company and a strong brand, within audio conferencing equipment. Since 1988, our mission has been to help people around the world to conduct meetings despite distances. Based on our success, we know that audio conferencing is a great way to save time, money and at the same time contribute to a better environment. High audio quality is essential for efficient meetings, this is why our patented audio technology OmniSound®, is built into all Konftel Conference phones. The products are sold globally under the Konftel brand and our headquarter is based in Sweden.
